The background of the slide is an aerial photograph of a coastal city. In the foreground, there is a dense green forest. To the right, a road curves through the trees. In the middle ground, a large body of water (likely a bay or harbor) is visible, with a bridge spanning across it. On the left side of the water, there are industrial structures and a port area. The city skyline is visible in the distance, with various buildings and structures. The sky is blue with some white clouds.

Thanks and Enjoy!
